A Coast Guard Station Grand Isle boat crew heads toward a capsized 175-foot commercial boat Tuesday, 8 miles south of Grand Isle, Louisiana.

12 missing from boat capsized off coast of Louisiana

BY TIM ELFRINK, PAULINA FIROZI AND JASON SAMENOW
The Washington Post

As a ferocious storm whipped up towering waves off Louisiana's coast Tuesday, a commercial vessel carrying 18 people capsized in the Gulf of Mexico, sparking a mass rescue operation from the U.S. Coast Guard and a fleet of good Samaritans.

After plucking six people from the sea, the Coast Guard said just before 9 a.m. local time that it was continuing to comb the water for survivors.

"We're still looking for others right now," Petty Officer Jonathan Lally, a spokesman for the Coast Guard, told The Washington Post early Wednesday. The vessel was a 129-

foot lift boat named Seacor Power, owned by Armond Batiste, a spokesman for Seacor Marine, which owns the vessel. Batiste confirmed to The Post that 18 people were onboard when it capsized.

The Coast Guard first got an emergency beacon from the Seacor Power at 4:30 p.m. Tuesday as the ship foundered about eight miles off Port Fourchon, a coastal town nearly 100 miles south of New Orleans.

Archie Chaisson III, the Lafourche Parish president, told The Post on Wednesday morning that rescue efforts would continue throughout the day unless weather hinders ongoing rescue efforts.

The Tuesday incident occurred as a slow-moving complex of intense thun-

derstorms, which had unleashed damaging wind gusts around New Orleans that toppled trees and damaged roofs, moved over the Gulf of Mexico. The National Weather Service issued a special marine warning for coastal waters around Port Fourchon at 3:57 p.m., warning severe thunderstorms could produce wind gusts of at least 39 mph (34 knots) and large hail.

"Boats could sustain damage or capsize. Make sure all on board are wearing life jackets," the warning stated. "Return to safe harbor if possible."

A ship in the Gulf headed for Port Fourchon recorded a gust of 117 mph (102 knots), according to Payton Malone, a meteorologist for WWL-TV, the CBS affiliate in New Orleans. A weather buoy at Grand Isle, about 15 miles to the northeast, clocked a wind gust of 75 mph and tropical-storm force winds (of at least 39 mph) lasted for about an hour.

Severe weather was continuing to affect southern Louisiana and adjacent waters Wednesday.

NOTICE OF GENERAL ELECTION AVISO DE ELECCIÓN GENERAL THÔNG BÁO VỀ CUỘC TỔNG TUYỂN CỬ
